3 docs pinned: 2 dozen 32" brake clubs sent. Invoice for them and other stuff attached.
If water OK, move sink into kitchen & add to ticket counter & varnish settees.
2 docs: Unloaded 5 12x12-20, 12 12x12-16 & 40 3x10-16 at Matterhorn
27 docs to 7/19/17: Trying to get piling. Finally delivered by Crum and others 6/23, 6/28 & 7/17. One dealer judged insane, roads impassible, etc.
16 docs to 9/29/17: Payroll mess up for 3 extra gang labores with similar names. Finally straightened out and men paid
4 letters to 3/15: Re Fireman J D Compton injured 2/4 while taking coal at Rico. RGS reports counterweights insufficient & fixed. Offered a release for \$1, which Compton refused to sign. Crompton back to work 2/18/17
2 docs to 2/19/17: Steam shovel flat cars 8902 & 9729 converted to gondolas.
Rocco DeJulio, foreman Ridgway section, looking over parts of the motor car you damaged in collision. If cheap we may buy for parts
4 docs to 4/13/17: School wants to run a motor car on RGS from north of Dolores to haul school children to and from new school. No
Received Hours of Service report for Jan 1917
Received report of accidents for Jan 1917
28 docs to 6/18/17: Re Irrigation Co wanting to have RGS enlarge irrigation ditch 1494' south of MP 115 to 14' long, 5' wide 2.5' deep at irrigation company expense. (and this is one on which the RGS was fully cooperative!)
3 docs to 3/5/1917: Agent Vance Jct sending carload shipments of livestock to wrong person
Refund for passenger that expired acct of illness
3 station inspection reports: Dolores, Telluride, Placerville. All stations were OK.
Since fire damage to Rico engine house on 3/3 was only \$35.43 insurance will not pay with \$100 deductible
You sent a letter to Lee that should have been sent to me per 6/30/16 instructions
11 docs to 4/10/17: Montrose County wants scrap rail to use as rip rap. RGS furnished 100 pieces 12 to 15 ft. long of 30lb rail at \$30/ton.
4 docs about discrepancies in billing vs received
Very reasonable analysis of fuel oil moving from Salida. Problem seems to be between Ridgway and Salida. Changed crew assignments between Gunnison & Ouray.
7 docs offering 4000' of 0.5" cable that has been through a fire as rip rap. 3 declined. 4th no record
2 docs: Mty car mileage increased 63% while Id mileage increased only 9.6% over 1916. Why? Feb 1916 line blocked 2 wks Rico-Vance Jct. & having to move mty box from Durango to Telluride to protect ore loading. Mty's usually come from 3rd Divn.
6 docs about discrepancies in car accounting and repair. Handled.
2 docs: Does Harry Lawrence Pierce work for you or make application for employment? No
2 docs: Re garnishment of J H Wilson who furnished ties to RGS by Gibson Grocery, Ridgway
2 docs: Has Amos Allison ever worked or applied for employment with RGS? No.
6 docs to 4/20/17: Mostly asking that Lee personally sign monthly accident reports instead of typewritten.

Requisition for April supply train
R A Hodges oper & cashier Placerville vice P J Crigler 3/1/17. J A Stookey Operator Rico 4/4/17
4 docs to 4/7/17: Located 3 flasks of mercury at Nucla that were supposed to go to Eureka. Montrose used wrong car number during transfer & Placerville reprimanded.
2nd doc, letter from A F Pahlke of Nucla, CO forwarded to claim dept.
Enclosed reports of Eng Phillips & Sec Foreman Delulio of Trn 7 striking calf between MP 2-3 Broke right hind leg, owner H T Smith Ridgway.
Report on Hesperus. OK
Montezuma Natl Forest wants list of all RGS infrastructure in the Forest to keep a watch on during WW1. Very polite reply from Lee giving info and thanking them for keeping an eye on the RGS.
Make sure freighters replace gon ends
Sorry your recuperation is going so slowly, but you will not be receiving a check for March.
2 docs: Get your weather report in on time. Wire trouble on RGS, east of Durango and east of Ridgway.
Herewith check for \$2.85 for ?
2 docs: Resalvaging scrap iron and if Telluride Iron Works wants to buy. No, \$5/ton more than they want to pay.
For 6 months we have issued voucher to J F Shepard, Ridgway for \$20 for a horse. If this is permanent it requires approval of VP
2 docs: Would like xing. Tell us where.
Reshipment of whiskey: Contact Welbon, Placerville agent. If express I have no jurisdiction.
Need more forms 'Passenger Train Movement Report'
Guidelines for storage of gasoline
4 docs to 5/25: Would like a 3 wheel speeder for coal heaver to use to get to Ute Jct. Then might be able to keep a coal heaver if they did not have to walk. Tried to get a speeder from Rico, but RM wanted to keep when his speeder was broken
3 docs to 6/7/17: Cattle guard between 98 & 99 plugged. Wants to install private xing. Clean gurad, ok to install xing at your expense under RGS supervision.
6 dos to 6/16/17: Car of potatoes from Hesperus damaged. Car OK on RGS, arrived Durango 10 minutes ahead of schedule.
Order with Vulcan Foundry Durango for 12 castings for \$0.80
Wants any 2nd hand bridge timbers RGS wants to get rid of
Your waybill for shipment of range showed range not crated per regs. Remind your forces (you)
Received your Hours of Service report for 4/17
GM has issued free billing to Mrs W B Pears, Ridgway to Delta for 2000 lbs. of household goods.
Requisition for June supply train
3 Support the War' posters to post
4 docs to 6/16/1: Your requisition 20 pcs of Oregon rough 12x14-14. We have 14x14-14 and 12x12-28. OK? Yes we will take the 12x12 in lieu of 12x14.
You used over your allotment of oil from Galena Signal Oil by \$32.74
8 docs to 7/25/17: Mr. Marriot of Yellow Jacket complaining about Agent Bergh at Dolores. Bergh did not answer letter promptly and Marriot claims Bergh gave flippant reply. Lee sent Genl Agent McAtee from Durango to investigate. McAtee says Bergh is buried because of inadequate help, even using his wife to help dig out. Now has a new cashier which is better than the previous one who was not very 'heavy'. In McAtee's opinion Bergh is better than average and is never flippant. Lee closes case by censuring Bergh but noting that letters were written by Mrs. Marriot who 'is a person extremely difficult to get along with, to say the least'. (I have never seen Lee be so 'direct' with a superior.). No further action to be taken against Bergh.
Confirming order to Vulcan Foundry Durango for 24 castings for \$2.40
2 docs to 6/18/17: Correct reports of time handling mail between station & Post Office at Ridgway
3 docs to 7/2/1: Wood of Ridgway has a copper claim at Placerville. Wants reduced rate Ouray. Will talk to you personally
2 docs to 6/26/1917: Which journal box of RGS 3010 did Cond Watkins rebrass? #1 left side.
2 docs to 7/16/17: Get receipt from Ridgway Water Works for \$150.00 for check of 3/28/17. RWW thinks they have done so.
Check for \$34.90 for ?
17 docs to 8/9/17: 5 mortars for Smuggler-union derailed near Leonard 5 years ago. Scrap prices are up & we sold to Telluride Iron Works for \$80.00 at 6000 to 7000 pounds apiece. Telluride salvaged at their expense and RGS shipped free. Had to run off Miller of Sawpit who was trying to salvage
2 docs to 7/9/17: How much anthracite do you need for coaches for coming winter? 18 tons. Can't get #2, #3 & 5 OK?
Received RGS Hours of Service report for May 17

Received RGS accident report for May
Requisition for July supply train
Lopez plans to enlist in Engineering Corps so issue voucher quickly.
6 docs to 8/1/17: Inspection reports of ties inspected in June. Pay these providers. Ties delivered in May and Apr and we need ties and these people are poor and we need to encourage them to provide ties.
3 docs to 7/20/17: J H Jackson of Placerville ships lumber from Soulen to Telluride & Pandora, wants same rate from Mancos. No, additional 2.5 cents from Mancos is justified by 7 miles & 2.5% grade.
2 docs to 7/25/17: Missing 3 reports of defect cards from the Joint Car Inspector. Master Mechanic has taken care of the situation.
5 docs to 7/24: Increase RGS coal order from Hesperus Coal Co to 17 cars/week. This makes 27 cars a week which is 5 over requirement so build up some inventory.
Will try to divert a few thousand ties to RGS
Box of chewing gum for Vanadium carried to Telluride & returned to Vanadium was marked Bad Order at Telluride. Therefore, box was Bad Order at Montrose and RGS will not participate in claim.
2 docs to 7/23/17: Will bonus allowed on certain classes of ties delivered by 6/30 be continued? Instead of bonus, new schedule of ties from \$0.40 to 0.48 per tie. If can deliver 10,000 red spruce will pay 2 cents extra as each 5000 are delivered.
2 docs: Release and \$100 to Ralph K Peake disabled in derailment near Millwood 6/9/17.
3 docs to 7/24/17: Need report of damage to car RG4266 lumber for Ophir in Trn 6 near MP 112.5 7/18. No damage to lumber transferred to RG3259 on 7/21.
Reports of Eng Farrar and Sect Foreman Romero: On 6/20/17 horse ran in front of #5, jumped off bridge near MP 108. Eng saw horse get up and wade in water. Sect Foreman found horse 100 yards below bridge on 7/2 in a condition where any marks could not be detected.
Sending report of inspection of RGS bridges by Acting Supt White and Foreman Willcox last week. (no report)
6 docs to 8/19/17: Additional statements (not attached) of witnesses of turning over of steam shovel OQ at Ames 7/10/17 injuring shovel operator M Bauhard. Bauhard released all claims for injuries. Released from DRG hospital 8/17. Wants job back. Not enough work left to change operators.
Loaded at non-agency station thus no loading record. I was Conductor that pulled car and other than only partly loaded it was in good shape. Cannot account for damage.
2 docs to 8/31/17: Recommend pay increases for Supt, Ch Clerk, Storekeeper, Hesperus Agent, Extra gang Laborers and Section Laborers of 6 to 17%. Didn't happen in August. Resubmit.
You misclassified wire on 6/26
Lee's expense account for July 17. Total \$33.05. Away from Ridgway 16 days!. Not all RGS points.
Waybill for itemized stuff from Burnham to Ridgway.
9 docs to 8/24/17: How can you complain of inadequate car supply when you let mtys sit idle at Hesperus for 6 to 26 days? BTW we are not receiving daily car reports from Ridgway & Rico. Telluride and Mancos are filling out reports incorrectly. Reply from Hesperus (not included) and Lee fixed reporting problem.
3 docs to 8/16/17: RGS owns 25" in the Hyde-Sneva Ditch Assoc. We have had section men work on ditch from 1914-16, but this yr. we have no spare section men so we have been assessed \$22.50. Where is documentation? Probably in the Treasurers office. Nothing in Ridgway.
Attached (not) is reply of Master Mechanic Moshisky about ?
Re movement of Edna on 8/13-16. Matter will be handled.
Attached (not) letter of local time inspector Jeffrey re clocks on RGS
Confirming order of 500 lbs Giant Powder by Lee on 8/14/17
Draft for \$28.60 for ?
2 docs: Duplicate billing.
Here is our file re shortage of two sweater coats from W I & B Fiewles, Denver to Telluride. Happened before arriving on RGS.
33 telegrams: re procurement of parts and supplies.
<b>W D Lee resigns as General Supt. at age 70. F White continued as Acting Supt until 10/1/17? when replaced by C B Carpenter</b>
